

Hi Mustafa ansari,

You have been selected for the **Python Programming** course at CodeWay.

Kindly upload your welcome letter on our LinkedIn page **CodeWayIntern** and tag us.

Task PDF Link: [PDF](#)

We have attached the task list in PDF format along with some important points to remember during your internship tenure.

Please note that at least 2 tasks (as per PDF guidelines) are mandatory for the completion of the internship and to become eligible for certification.

Therefore, maintain a separate GitHub repository for all the tasks and share the link of the repository in the task submission form that will be sent to you later on your email and Telegram.

Additionally, make a video (under 1 minute) or 3-4 photos of the code of the completed task and share it on LinkedIn, tagging **CodeWayIntern**.

The internship will start from 2024-02-01 00:00:00. The task submission form will be sent to all interns on 15th February 2024, and the last date for task submission is 21st February 2024.

The internship completion certificate will be sent to deserving candidates by 5th March 2024.

Best Regards,

CodeWay
